

Project:  Date:   
Prepared By:   
Comments

### FEATURES

- High performance LEDs produce 10,000 Lumens at 5000K daylight using 100-Watts instead of 150-Watts HID High Bay
- Operating temp range -30°C + 70°C
- Slim body, lightweight, no bulky heat sink

### APPLICATIONS

- Cold Storage Facilities
- Commercial
- Factory Floors
- Gyms
- Industrial
- Parking Areas
- Retail
- Warehouses

### CERTIFICATIONS

... Visit our website for more information.

### ELECTRICAL

Part Number: HBC100L120D

Warranty:

Kelvin Temperature (CCT): 5000K

Wattage: 100

Lumens: 10,000

Efficacy:

CRI: 80

Dimmable: No

Input Voltage: 120/277V

Certifications:

DLC Listed: NO

Expected Life:

Max. Ambient Temperature

Min. Ambient Temperature

Power Factor:

THD:

### SPECIFICATIONS

Weight: 8 lbs

Length: 21

Product Height: 12.13

Product Width: 0

Beam Angle:

Lens:

Round LED Backlit High Bay, 10000 lumen, 5000 K Hanging Light HBC100L120D

Project:  Date:
