

ASTREA 52" SMART RGB AND TUNABLE WHITE LED INDOOR/COVERED OUTDOOR CEILING FAN

FS-ATR52RGB-BN

The Astrea family of Smart 5-blade ceiling fans from Designers Fountain adds a modern charm to your indoor or covered outdoor space. The 6-speed DC motor produces between 2,054 and 4,233 CFM, and is recommended for a room of up to 400 square feet. Astrea's integrated Smart LED produces 950 lumens while using 21.5 W of energy. Use the included remote control to scroll through specific RGB color and CCT light settings, or select from thousands more using the smart phone app. If you have a connected house, Astrea can also be controlled with your voice (smart home devices required and sold separately). Astrea ceiling fans have other convenient features such as a nightlight, natural breeze setting, and dimming. All of the necessary instructions and hardware are included in the box to make installation a breeze. Astrea indoor/covered outdoor ceiling fans come in matte black, matte white, or brushed nickel finishes - each with their own plywood reversible blades - so you can match any decor inside or outside your home. Order one today to start enjoying a cooling indoor breeze any time you want.

- Modern indoor/outdoor ceiling fan has reversible blades
- Smart LED has full RGB spectrum and tunable color temperature
- Powerful 6-speed, 5-blade DC motor has a max CFM of 4,233
- Control your ceiling fan with the included remote control, smart phone app, or your voice (smart home device required for voice control, not included)
- Select from many RGB presets on the remote control, or from thousands more on the smart phone app
- Set the tunable white temperature anywhere between the warm glow of 2200K to the cool daylight of 6500K
- LED engine produces 950 lumens while only using 21.5 W of power

- Ceiling fan features reversible plywood blades - Silver on one side and Pearl Gray on the other
- Recommended for a max room size of 400 sq. ft. (approximately 20ft. x 20ft.)
- Assembled dimensions are 52 in. Diameter x 16 in. Height, including a fixed 6 in. Downrod
- Damp rated for installation in indoor or covered outdoor areas
- Includes necessary mounting and wiring hardware and easy-to-follow installation instructions
