

BAYLOR 11.75" LED OUTDOOR WALL LANTERN

LED32911-BBZ

Baylor LED outdoor wall light fixtures are designed to look great and save money. These wall lanterns exemplify the future of outdoor lighting with a modern, sleek, cylindrical bulb-free design that complements any home exterior. The protective burnished bronze and Flemish bronze two-tone finish adds sophistication to the fixture. The clear crackle glass shade forms a dramatic silhouette and inviting light. The LED engine inside this light fixture delivers 860 Lumens, the equivalent of a 100-Watt light bulb, using only 11-Watt of electricity. Because this outdoor fixture is LED, there are no light bulbs to replace -ever. The sturdy, weather resistant cast aluminum construction and waterproof seal protect the lantern from harsh outdoor elements to ensure the long life of the fixture. These light fixtures are rated suitable to be installed in wet locations. Baylor LED outdoor light fixtures are ENERGY STAR listed for energy savings and quality assurance; they are backed by a 3 year limited manufacturer's warranty. This outdoor wall lantern installs easily and delivers welcoming, safe and reliable exterior lighting.

- Produces 860 Lumens of light while only using 11W of power
- LED engine emits a warm 3000K CCT light
- Clear Crackle Glass shade for maximum outdoor illumination
