

# CASSINI 52" SMART RGB AND TUNABLE WHITE LED INDOOR/COVERED OUTDOOR CEILING FAN

## FS-CSN52RGB-BN

The Cassini family of Smart 3-blade ceiling fans from Designers Fountain adds a modern charm to your indoor or covered outdoor space. The 6-speed DC motor produces between 1,791 and 3,678 CFM, and is recommended for a room of up to 400 square feet. Cassini's integrated Smart LED produces 850 lumens while using 21.5 W of energy. Use the included remote control to scroll through specific RGB color and CCT light settings, or select from thousands more using the smart phone app. If you have a connected house, Cassini can also be controlled with your voice (smart home devices required and sold separately). Cassini ceiling fans have other convenient features such as a nightlight, natural breeze setting, and dimming. All of the necessary instructions and hardware are included in the box to make installation a breeze. Cassini indoor/covered outdoor ceiling fans come in matte black, matte white, or brushed nickel finishes - each with their own plywood reversible blades - so you can match any decor inside or outside your home. Order one today to start enjoying a cooling indoor breeze any time you want.
