

CHILLION 60" INTEGRATED LED SELECTABLE CCT & RGB INDOOR/COVERED OUTDOOR CEILING FAN

FR-CLN60RGB-BN

The Chillion collection of remote-controlled ceiling fans from Designers Fountain is damp-rated for use indoors or in covered outdoor areas. These modern fans feature 6-speed DC motors that produce a max airflow of 6,267 CFMs. Each of the 6 blades are reversible, with silver on one side and pearl gray on the other. The integrated LED light kit will not only save you money, but it also provides 5 CCT selections (2700K, 3000K, 3500K, 4000K, and 5000K) and 7 RGB color selections (red, orange, yellow, green, blue, indigo, and purple). Chillion is recommended for rooms of 400 square feet or less, and should be hardwired to an in-ceiling power source of 120V. Installation is a breeze with the included instructions and mounting/wiring hardware right in the box.

- Modern brushed nickel fan for indoor and covered outdoor use
- Six-speed fan with DC motor creates a max airflow of 6,267 CFM
- Integrated LED produces 900 lumens with 5 CCT and 7 RGB settings
- Included remote controls fan speed, dimming, color and CCT selection, and many more features
- LED supports 7 RGB settings: red, orange, yellow, green, blue, indigo, and purple
- Choose from 5 CCT settings: 2700K, 3000K, 3500K, 4000K, and 5000K
- The 6 reversible plywood blades are silver on one side and pearl gray on the other
- Recommended for a room of 400 sq. ft. or less
- Accommodates a sloped ceiling of up to 13 degrees

- Damp rated for indoor and covered outdoor installation
- Hardwire to a 120-Volt in-ceiling power source
- Easy-to-follow installation instructions, mounting hardware, and wiring hardware included in the box
- Limited warranties for the following durations: 10 years for the fan, 30,000 hours for the LED light kit, and 1 year for all other fan components
