

OUTLLANT 52" LED 3000K OUTDOOR CEILING FAN

FP-OTL52B3-MB

The Outllant collection of pull-chain-controlled ceiling fans from Designers Fountain is wet-rated for outdoor use. These transitional fans feature 3-speed AC motors that produce a max airflow of 4,528 CFMs. Each of the 5 blades are made from durable ABS to withstand the elements. The 3 included LED bulbs produce 550 lumens of 3000K light each, and will save you money. Outllant is recommended for areas of 400 square feet or less, and should be hardwired to an in-ceiling power source of 120V. Installation is a breeze with the included instructions and mounting/wiring hardware right in the box.

- Transitional matte black ceiling fan for indoor and outdoor use
- Three-speed fan with AC motor creates a max airflow of 4,528 CFM
- Includes 3 LED bulbs that produce 550 lumens of soft 3000K light
